

Tibetan Mantras for Turbulent Times

DEVA PREMAL
and THE GYUTO MONKS
of Tibet

This album arose from Deva's personal desire to chant with the Gyuto Monks of Tibet. Their incredible voices, infused with such a deep immersion into the holy Sound, create a perfect tool for personal mantra practice.

Deva is accompanied on cello, by Grammy Award winner, David Darling. Kit Walker, producer of Love is Space and Embrace, plays keyboards and Manose is also featured, on bansuri.
